

# Calendar of Events 2008

The following are events related to water quality. The RWQCB provides this information as a public service and does not sponsor or endorse any of these events except those conducted by the RWQCB.

*All Calendar events are subject to change. Please confirm with the contact person or sponsoring group.*

If you would like your event placed on this calendar, contact Janet Blake at (707) 576-2805 or [jblake@waterboards.ca.gov](mailto:jblake@waterboards.ca.gov)

- Date: May 5-7, 2008  
Title: **California 2008 Nonpoint Source Conference: Integrated Watershed Management: Reducing Nonpoint Source Pollution**  
Description: The conference will have three main themes: planning, implementation, and monitoring. Participants will learn from numerous NPS pollution control grant projects. The conference will promote technology transfer by examining on-the-ground examples related to agriculture, forestry, urban development, marinas, boating, hydromodification habitat alteration, abandoned mines, and other land use activities. The conference will include plenary sessions, concurrent sessions, workshops, posters, field trips, and networking.  
Location: Mission Valley Marriott Hotel, 8757 Rio San Diego Drive, San Diego, CA  
Contact: <http://www.waterboards.ca.gov/nps/conference2008.html>
- Date: May 28, 2008 (9AM – 4PM)  
Title: **Watershed Modeling with HEC-HMS**  
Description: The purpose of this workshop is to introduce participations to the U.S. Army Corps of Engineers Hydrologic Engineering Center's Hydrologic Modeling System, HEC-HMS, including theory and structure, applications, and calibration and validation techniques.  
Location: Sacramento City Hall Council Chambers, (New) City Hall, 915"l" Street, Sacramento, CA  
Contact: [HECHMTechnicalworkshop@cwemf.org](mailto:HECHMTechnicalworkshop@cwemf.org)
- Date: May 31-June 1, 2008  
Title: **SalmonAid**  
Description: This event is being held to raise awareness of the plight of west coast salmon populations. It will feature booths highlighting the natural history of salmon, culture, and traditions of salmon towns and the people connected to salmon. SalmonAid will raise funds to

support education and habitat restoration efforts directed at re-establishing abundant wild, native Pacific salmon populations in Pacific coast watersheds.

Location: Oakland's Jack London Square, Oakland, CA

Contact: [www.salmonaid.org](http://www.salmonaid.org)

Date: September 24-25, 2008

Title: **17<sup>th</sup> Annual Conference & Meeting: GROUNDWATER Challenges to Meet Our Future Needs**

Description: Groundwater Resources Association has partnered with stakeholders from all segments of the profession and industry to develop an annual conference that covers technical, regulatory, legal, and policy issues affecting groundwater and facilities networking and the exchange of the latest research and information. Conference speakers will be featured in a plenary assembly and also in concurrent sessions that include numerous issues.

Location: Hilton Orange County/ Costa Mesa, Costa Mesa, CA
